

DR. MARTIN LUTHER KING JR. AS A YOUNG BOY  
PRESENTED BY LINDA GORHAM

Linda Gorham tells the story Martin Luther King, Jr as a youth.

*"... We always think of Martin Luther King, Jr. as a grown man in a black suit with a dark tie. Usually we see pictures of him giving a powerful speeches or looking serious. I suspect we rarely think of him as a boy. I suspect that today we rarely think of the things and many others he had to endure when he was young..."*

Like so many others, Martin Luther King, Jr. grew up seeing signs like these.

He had to go to segregated schools.

He had to ride on segregated buses.

Martin Luther King Jr.'s youthful experiences helped give him the words and the courage to help get rid of those signs and the strength to help change the laws so all people, black and white, could have equal rights.
